

Interview
PREPARATION

FMC TALENT

Why is it important?

Demonstrate competence

Build confidence

Increasing understanding of company and role

Make a positive impression

Anticipate and understand weaknesses

QUESTIONS you may get asked:

- What are your strengths and weaknesses?
- What are your goals and ambitions?
- What motivates you?
- What are your quotas/targets? How did you achieve against them?

Also be prepared to speak about...

Your achievements

Case studies relating to the role you're interviewing for

Tangible examples of your contributions

What you know about the company

Prepare **QUESTIONS** for them!

- What made you join the company, and why have you stayed?
- Are there any challenges the company are currently facing?
- Opportunities for progression and growth?
- Can you describe your culture
- Do you have any concerns about my fit for the role?
- What are the next steps?

Get in **TOUGH**

FMC nurtures relationships with both candidates and clients throughout the entire interview process. If you'd like to work with a team of dedicated and supportive recruiters, please contact me now!
