

RECRUITER

£17K + BONUS + BENEFITS

Figuring out what you're going to do after graduating can be a massive headache. Especially when you don't have a defined path. Taking some time to explore your options is key... and sometimes looking at a career that you perhaps hadn't considered.

FMC global talent is a global, technical recruitment provider. We work with some of the world's most exciting brands, from software giants to f1 teams. Our success has come from standing out from the crowd in the competitive recruitment market. Our unique approach is possible because of the amazing people that work here.

Many people consider a career in recruitment but are put off by the long hours and tiresome pressures. **Our goal is to smash through these stereotypes.** Yes, we work hard, but...

- We maintain our family business roots
- We look after each other's wellbeing
- We look after each other's career progression
- We celebrate each other's success
- We want each other to do well
- We genuinely care about each other

The benefits of working at FMC Global Talent

Who are we looking for?

As a Recruitment Consultant, you will support your account manager in the sourcing, attracting and vetting of top calibre candidates in your specialist field. If you succeed here, with our support you will quickly progress to a more senior role where you will start to develop your own client base and specialism!

We look for ambitious graduates with an entrepreneurial flair that through hard work and with supported development can progress quickly. These are the characteristics we look for in everyone...

- Commercial acumen
- First class communication skills
- Determination
- Ambition
- Entrepreneurial
- Positivity

Investment in you

If you're committed to progressing at FMC, we'll invest in you through hands on development, training and external qualifications... helping you be the best you can be. Our quickest progression from Recruitment Consultant to Account Manager is just 6 months!
